Brand : C2G

Product code: 11043

Product name : 2m LC/SC

2m LC/SC Duplex 50/125 Multimode Fiber Patch Cable TAA Compliant, Orange

[C2G 2m LC/SC InfiniBand/fibre optic cable OFC Orange:](#)

Cost-effective solution that provides higher bandwidth and transmission rates and supports longer distances with lower loss than 62.5/125 fiber. Specifically designed for use with today's narrower aperture components, this cable is fully compatible with multimode applications. The patented injection molding process provides each connection greater durability in resisting pulls, strains and impacts from cabling installs.

Each cable is 100% optically inspected and tested for insertion loss before you receive it. A pull-proof jacket design surrounds the popular 50/125 multimode fiber, immune to electrical interference.
